

# Revision/Editing

After you have written your rough draft, go back and read it. You should check to make sure you said what you wanted to say and said it how you wanted to say it. Your rough draft should contain at least 6-10 sentences. After doing this, write a revised copy. Label this copy "REVISED COPY." After writing a revised copy, give it to one of your classmates to edit the copy. Please make sure your editor (classmate) writes his or her name on your paper as your editor.

## Final draft

After your classmate has edited your paper, write a final draft. Label this copy "FINAL DRAFT." Please skip lines when writing your final draft, and **DO NOT WRITE ON THE BACK OF YOUR PAPER.** Staple the final draft on top.

## Staple together the following:

1. Graphic organizer/prewriting
2. Revised/edited copy
3. Final draft
